

The Envision Arts Gallery in partnership with Starkey, Inc. is proud to present the 2nd Annual Starkey Art Exhibition "New Perceptions" on August 2nd.

Founded in 1930, Starkey is a steadfast supporter of nurturing development and promoting independence for individuals with intellectual disabilities. Through a range of comprehensive programs encompassing employment, residential living, life enrichment, and case management, Starkey has empowered over 500 individuals to lead fulfilling lives.

New Perceptions showcases artworks created by individuals supported by Starkey, Inc. We invite you to immerse yourself in the diverse artistic expressions of these individuals. Each artwork reflects personal journeys, creative visions, and the courage to explore new possibilities. This inaugural art exhibition serves as an ongoing platform to honor and celebrate the creative achievement of the individuals supported by Starkey.

Join us for First Friday at the Envision Arts Gallery on August 2 from 5:00 - 9:00 PM to celebrate the opening of this exhibition.
